LEGISLATIVE COUNSEL'S DIGEST

AB 88, as amended, Gomez. Sales and use taxes: exemption: energy or water efficient home appliances.

(1) Existing sales and use tax laws impose a tax on retailers measured by the gross receipts from their sales of tangible personal property sold at retail in this state, or on the storage, use, or other consumption of tangible personal property purchased from a retailer for storage, use, or other consumption in this state, and specify certain exemptions from the amount of tax imposed.

This ~~bill~~ *bill*, until January 1, 2021, would exempt from these taxes the gross receipts from the sale of, and the storage, use, or other consumption in this state of, an energy or water efficient home appliance purchased by a public utility that is provided at no cost to a low-income

participant in a federal, state, or ratepayer-funded energy efficiency program for use by that low-income participant in the energy efficiency program. *This bill would define terms for its purposes.*

(2) The Bradley-Burns Uniform Local Sales and Use Tax Law authorizes counties and cities to impose local sales and use taxes in conformity with the Sales and Use Tax Law, and existing law authorizes districts, as specified, to impose transactions and use taxes *generally* in accordance with the Transactions and Use Tax Law, which generally conforms to the Sales and Use Tax Law. Amendments to state sales and use taxes are incorporated into these laws.

Section 2230 of the Revenue and Taxation Code provides that the state will reimburse counties and cities for revenue losses caused by the enactment of sales and use tax exemptions.

This bill would provide that, notwithstanding Section 2230 of the Revenue and Taxation Code, no appropriation is made and the state shall not reimburse any local agencies for sales and use tax revenues lost by them pursuant to this bill.

~~(3) This bill would take effect immediately as a tax levy.~~

(3) *This bill would take effect immediately as a tax levy, but its operative date would depend on its effective date.*
